WIC Vendor Online Training Certificate

WIC Vendor Community,

Thank you for encouraging your staff to take the WIC Vendor Online Training. We firmly believe the information will not only empower your staff to manage WIC transactions with greater confidence and effectiveness but also, help build them into better and happier employees.

To support these efforts we are providing the attached Certificate of Completion you may print out, sign and award to your employees once they have completed the training. We hope this small token will be an encouragement to your staff. Please feel free to display these certificates in your breakroom. Compliance with the training requirement is captured by the WIC Vendor Online Training software. The certificate stands alone as a resource you may use as you wish. If you have any questions or concerns about the certificate please do not hesitate to reach out to us at WICVendorInfo@dshs.state.tx.us.

Sincerely,

WIC Vendor Outreach Team
